

TASTE THE
INDUSTRY

CALLING ALL HOSPITALITY EMPLOYERS!!

Struggling to recruit and retain the next generation of hospitality professionals?...

Tree of Knowledge and Tennent's Training Academy have joined forces to create a work relevant engaging, educational experience for Scotlands' young people. Aimed at junior phase learners this full day experience is designed to give pupils a real taste of the hospitality industry. Creating the talent pool the Hospitality Industry needs and desires, whilst simultaneously providing exciting employment opportunities for the young people of Scotland.

TASTE THE INDUSTRY can help your business connect with local young people that are super keen to get working. You could help inspire the next generation hospitality superstars whilst meeting your company CSR objectives.

Pledge your support today and join the nationwide talent spotting roadshow!
